

Nicole Soucy received her undergraduate degree in Biology from the University of Florida in 2011. She then pursued her Master of Physician Assistant Studies from the University of North Texas Health Science center and graduated in 2015. Nicole has been a member of the Association of Physician Assistants in Allergy, Asthma, and Immunology (APA-AAI) since 2016. She has served as Secretary of the organization and currently produces the organization's newsletter. She is an allied health member of the American College of Allergy, Asthma, and Immunology (ACAAI) and is a fellow member of the American Academy of Physician Assistants (AAPA). Nicole resides in Dallas, Texas with her husband and daughter. She currently works at the Allergy and Asthma Center of Duncanville in Duncanville, Texas. Nicole is passionate about treating patients with allergies and asthma and is honored to serve on the board of directors.
